

COLLEGE OF HEALTH AND HUMAN SERVICES

2025

Message from the Dean

May 17, 2025

Dear graduates,

Commencement represents the culmination of hard work and years of endless dedication and sacrifice. You each accomplished something so incredible and now you're sitting here as members of Fresno State's **114th** graduating class. Congratulations!

Today, we have the honor and privilege of recognizing over 1,000 graduates from each of our seven extraordinary departments as well as the Air Force and Army ROTC programs. These graduates are proudly earning their well-earned bachelor's, master's, or doctoral degrees.

As alumni, you represent the next generation of health and human service leaders, practitioners, educators, researchers, and advocates - and I have no doubt you will make a difference in our world in ways that are both inspiring and empowering.

As you pursue your careers or further your academic pursuits, I encourage you to serve with humility and act with kindness along the way. Your patients, clients, students, and community are counting on you.

On behalf of the faculty and staff in the College of Health and Human Services, we wish you continued success in your professional endeavors and thank you for the contributions you will make in our greater community.

Sincerely,

Kara Zografos
