

College of Arts and Humanities

2026

Dear Graduates:

Congratulations on reaching this milestone! The arts and humanities have been the heart and soul of your educational journey leading to today's Commencement, yet as the name of this ceremony denotes, you are only at the beginning of a lifetime of discovery. The knowledge that you have gained here at Fresno State from your professors and peers will light your path as you continue to reimagine our world in new and wonderful ways.

Please look closely at the University seal and motto in Latin on the cover of this program, as it expresses our shared purpose: *Lucem accipe ut reddas* (Receive the light so that you may give back). As graduates, you are now ambassadors heading out with the gifts of the arts and humanities. May your next steps thoughtfully and creatively engage the world in ways that inspire others and help light the way to a more peaceful future. You have so much to offer, and we are excited to see what you choose to do.

On behalf of the faculty and staff of the College of Arts and Humanities, I wish you continued success and happiness. Please stay in touch with your alma mater, Fresno State!

Sincerely,

Honora H. Chapman, Ph.D.
Dean, College of Arts and Humanities
