Message from the Deans

Dear Graduates:

Today, we celebrate you with immense pride and joy. Earning your degree is a powerful reflection of your dedication, perseverance and intellect. You join an esteemed community of Kremen School graduates who serve as educators, counselors and leaders throughout the Central Valley and beyond. Remember to foster your connection to the network of alumni and our campus, which will continue to support you as you step into the next chapter of your journey.

As we honor your accomplishments, take a moment to acknowledge those who supported you along the way. Whether this is your family, friends, mentors, and teachers, let them know the role they played in helping you succeed. Express your gratitude by providing that guiding light for someone else as they pursue their own dreams.

Your degree symbolizes your achievements, but it also carries the responsibility to apply your learning in the service of others. At the Kremen School, we are committed to cultivating strong and just communities by developing the future leaders we see in each of you. We take pride in knowing that you join the generations of our graduates who influence each academic level and every stage of human development.

Since its founding as Fresno State Normal School in 1911, the university has grown in size and scope. The Kremen School remains rooted in its original mission: to prepare students to serve others and nurture human potential. Be proud of who you are, and move forward with purpose. Remember to strive to grow, to passionately serve and to strengthen the communities you call home.

Best wishes to all of you in your future endeavors!

Interim Dean Sergio La Porta

Dear Class of 2026,

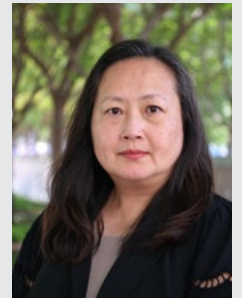

Congratulations! Your dedication and hard work have led you to this moment. Take pride in how far you have come, and show gratitude for those who supported and challenged you along the way.

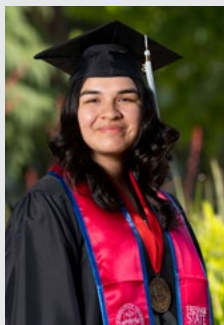

No matter the path you take next, you carry the mindset of educators, counselors, leaders, and community change agents, along with the insight and skills to make a meaningful difference. As you move forward, remember that success is not only personal. It is also about supporting and empowering those around you and creating spaces where others can grow.

More than knowledge and skills, may this degree reflect your commitment to compassion, integrity, and action. Move forward with confidence and teach, guide, and lead with empathy. Never underestimate your impact. You have the power to influence others. Use it with integrity to help shape future generations and strengthen your community for the better.

Congratulations again, and best wishes on all that lies ahead. Go Bulldogs! Be Kind! Be Well!

Associate Dean Song Lee

Undergraduate Dean's Medalist Emily Gonzalez

Emily Gonzalez, of Dinuba, earned her B.A. in liberal studies with a 4.0 GPA and will also receive her Multiple Subject/TK Teaching Credential through the Fresno Teacher Residency Program. Graduating from Dinuba High School, Gonzalez came to Fresno State as a Smittcamp Family Honors College scholar.

After losing her father to cancer during her first year at Fresno State, Gonzalez volunteered as an outreach coordinator and summer camp counselor with Camp Kesem at Fresno State, connecting with and mentoring over 40 children impacted by a parent's cancer. At Kesem, she established partnerships with over 25 local organizations and school districts, widening local children's access to Camp Kesem. During her time at Fresno State, she also volunteered with Jumpstart, the Boys & Girls Club, the Fresno State Health and Counseling Center, Active Minds Club and several other campus and community organizations. Gonzalez gained professional experience as a teacher resident at Lincoln Elementary School, a student assistant in the Counselor Education Department and a STEAM summer instructor for GrowthPoint Technologies. Gonzalez plans to become an elementary school teacher with the Fresno Unified School District, while furthering her education with a master's degree.

Graduate Dean's Medalist Luis Favián Ramírez Arizaga

Luis Favián Ramírez Arizaga, of La Cañada de Ramírez, Mexico, earned his M.A. in higher education administration and leadership with a 4.0 GPA. Arizaga spent his formative years in Mexico, raised primarily by his mother while his father worked on farms throughout the Central Valley. Arizaga migrated to California as a teenager and attended Tranquillity High School. Through the AVID and Upward Bound programs, he enrolled in San Francisco State University in 2007. That same year, his father passed away while working in the field. Through grief and a life transition, Arizaga found his life's passion: supporting students confronting similar challenges.

Arizaga earned a B.A. in Latina and Latino studies and a B.A. in women and gender studies from San Francisco State University and completed an M.A. from the sustainability and business transformation certificate program at IE University in Madrid, Spain. He currently works as an assistant director for the GEAR UP program at Wonderful College Prep Academy in Delano and Sanger, as a senior college and career readiness lead for the United We Lead Foundation in Fresno. Arizaga plans to continue his educational journey through the Fresno State Ed.D. program.

*To Thee Our Alma Mater
 Let us in song, our voices raise
 In cloistered courts, to sound thy praise.
 Each voice and heart that sings is true
 To thee, oh, Cardinal and Blue.
 For thee, our hopes and memories;
 For thee, our hearts and loyalties.
 Thy sons and daughters hail thee great,
